- 1¼% Treasury Gilt 2051 will be launched via syndication in the week commencing 26 April 2021, subject to market and demand conditions.
- A new index-linked gilt maturing in the 15-25 year area will be launched via syndication in May 2021, subject to market and demand conditions.
- In the July 2021 to March 2022 period auction days have been identified. There are planned to be two auctions on some of these dates, the details of which will be confirmed in the subsequent quarterly issuance calendar announcements.
