Note 1: Bids may be made on either a competitive or a non-competitive basis. Details of the bidding procedures are set out in the prospectus and in the Information Memorandum. Index-linked Gilt-edged Market Makers may bid by means of the Bloomberg Bond Auction System to the DMO not later than 10.30 am on Tuesday, 23 September 2008.

Note 2: Holders may elect to have United Kingdom income tax deducted from interest payments, should they so wish, on application to the Registrar, Computershare Investor Services PLC.

Note 3. Actual amount of interest per £100 nominal is £0.625 x Index Ratio for 22 November 2008 and expressed as a percentage in pounds sterling to six places of decimals and rounded to the nearest figure.

Note 4. The Reference Index for the first calendar day of any calendar month shall be the Retail Price Index figure for the calendar month falling three calendar months earlier. The Reference Index for any other day in the month shall be calculated by linear interpolation between the Reference Index applicable to the first calendar day of the month in which the day falls and the Reference Index applicable to the first calendar day of the month immediately following. Interpolated values for the Reference Index for any date should be rounded to the nearest 5th decimal place.
