PRESS NOTICE

RE-OPENING OF 0³/₈% INDEX-LINKED TREASURY GILT 2062 IN THE WEEK COMMENCING 20 FEBRUARY 2012: APPOINTMENT OF SYNDICATE

The United Kingdom Debt Management Office ("the DMO") announces the appointment of a syndicate to sell by subscription the forthcoming re-opening of 0³/₈% Index-linked Treasury Gilt 2062.

Joint Bookrunners: Deutsche Bank, Goldman Sachs International, RBS and UBS.

Co-Lead Managers: All other panel member Index-linked Gilt-edged Market Makers ("GEMMs") have been invited to be Co-Lead Managers.

The DMO has appointed a panel comprising exclusively wholesale GEMM firms from which it has chosen syndicate members for the conduct of the programme of syndicated offerings in 2011-12. The re-opening of 0³/₈% Index-linked Treasury Gilt 2062 will be the eighth and final such transaction in the 2011-12 programme, which has raised £30.0 billion to date. Syndicated offerings of index-linked gilts have raised £15.4 billion to date, relative to a planned target of £18.9 billion.

The DMO expects that the sale will take place in the week commencing 20 February 2012, subject to market conditions. Further details about the conduct of the offer will be announced in due course.

NOTES TO EDITORS

The DMO financing remit for 2011-12, published alongside the Budget on 23 March 2011, included the provision for a programme of up to eight syndicated offerings to be held in 2011-12 to raise £31.6 billion (cash). The DMO also announced on 23 March 2011 its intention to implement the programme of syndicated gilt offerings in 2011-12 more evenly across the year than in 2010-11 via smaller and more regular operations than in 2010-11.

At the Autumn Statement on 29 November 2011 planned sales by syndicated offerings of long-dated conventional and index-linked gilts were each increased by £0.3 billion, to £13.8 billion and £18.9 billion respectively, and taking total planned sales to £32.7 billion (cash).

On 9 December 2011 the DMO announced that it expected (subject to market conditions) to re-open 3¾% Treasury Gilt 2052 by a syndicated offering in the second half of January 2012 and to sell an index-linked gilt by syndicated offering in the second half of February 2012. On 6 January 2012 the DMO announced that the index-linked syndicated offering planned for the second half of February would be a re-opening of 0¾% Index-linked Treasury Gilt 2062.

Details of the seven syndicated offers held to-date in 2011-12 are summarised in the table below.
