TRANSFER OF £481 MILLION OF THE UNALLOCATED PORTION OF GILT ISSUANCE TO THE MEDIUM GILT AUCTION PROGRAMME (£441 MILLION) AND THE INDEX-LINKED GILT AUCTION PROGRAMME (£40 MILLION)

The UK Debt Management Office (DMO) announces the transfer of £481 million from the residual unallocated portion of issuance as follows:

- £441 million to the medium gilt auction programme, increasing the size of that programme to £44.641 billion.
- £40 million to the index-linked gilt auction programme (now concluded for 2022-23), increasing the final size of that programme to £11.040 billion.

The remaining balance in the unallocated portion of issuance is now zero.
