THE UNITED KINGDOM DEBT MANAGEMENT OFFICE ("DMO") invites offers from GILT-EDGED MARKET MAKERS ("GEMMs") holding 7¾% Treasury Stock 2006, 8½% Treasury Stock 2007 and 9% Treasury Stock 2008 to sell all or part of their holdings on the basis set out in this notice. 2. There is no provision for making offers on a non-competitive basis.
3. The DMO reserves the right to reject any offer or any part of any offer. Subject to this, the DMO will convert the prices offered by GEMMs to yield equivalents, subtract from these values the theoretical yields for each stock, as calculated by the DMO's yield curve model, and accept those offers which provide the highest relative yields to the DMO. The DMO may purchase less than the full amount of the stock on offer at the auction and may decide not to purchase any of the stock.
4. The DMO intends to cancel all stock purchased by way of this reverse auction on Friday, 22 September 2000.
5. Stock in respect of which applications are accepted will be acquired by the DMO free from all liens, charges and encumbrances and with all the rights now or hereafter attaching to it.

7. GEMMs will be allowed to make an unlimited number of offers in respect of each stock until 10.20am on Thursday, 21 September 2000 and up to a further four offers per stock between 10.20am and 10.30am. Offers received after 10.30am on 21 September 2000 will not be accepted.
