PRESS NOTICE

CANCELLATION OF DMO HOLDINGS OF “RUMP” GILTS

The UK Debt Management Office (DMO) announces today the cancellation on Monday 14 March 2011 of approximately £93.5 million (nominal) of its current holdings in those gilts that have been designated as “rump” gilts. “Rump” gilts are those with amounts in issue deemed by the DMO to be too small to expect a reasonably liquid two-way market to exist in them.

The table in Notes for Editors below lists the nominal amount of each gilt being cancelled and the residual amounts in issue for all “rump” gilts, as of 14 March 2011¹.

The DMO will continue to bid prices, upon request from Gilt-edged Market Makers, in all “rump” gilts, and expects to execute similar cancellations in future years, on an annual basis. Any such cancellations will be announced.

NOTES FOR EDITORS

Since March 2006, gilts which have been reduced in size to less than £850 million (nominal) in issue have been designated as “rump” gilts.

The DMO last cancelled its holdings of “rump” gilts on 12 March 2010 and stated then that it expected to execute similar cancellations on an annual basis. The DMO’s current holdings of “rump” gilts have been accumulated since the last cancellations in March 2010 as a result of its role as “buyer of last resort” in these gilts.

Transactions to achieve the annual Sinking Fund cancellation in 3½% Conversion Loan are also being conducted today.

¹ Both amounts rounded to the nearest £0.1 million.

The cancellations announced today, of approximately £93.5 million (nominal), account for some 7.1% of the current amount of “rump” gilts in issue. Following the cancellations, the (nominal) amount of “rump” gilts in issue will be approximately £1.23 billion, some 0.1% of the total gilt portfolio².
