### **PLANNED INDEX-LINKED 2062 GILT SYNDICATION - "WHEN ISSUED" TRADING AND ISIN & SEDOL CODES**

The UK Debt Management Office ("the DMO"), with the agreement of the London Stock Exchange, announces the sanctioning of "When Issued" trading, under London Stock Exchange Rule 1530, in the new 0<sup>3</sup>/<sub>8</sub>% Index-Linked Treasury Gilt 2062 (expected to be sold by a syndicated offer next week, subject to market conditions).

"When Issued" trading will be permitted, from the time that final pricing of the offer is published by the DMO and the gilt pronounced 'free to trade', until the close of business on that same day, which will be the day prior to settlement of the syndicated offer and the day the new gilt is issued.

The TIDM code to be used for trade reporting any such WI trades will be SYND.

The ISIN code for the new gilt, to be used for WI trading and following the gilt's issue, is GB00B4PTCY75, and the SEDOL code is B-4PT-CY7.

The new gilt will pay a short first coupon on 22 March 2012.
