# ISSUES OF GOVERNMENT STOCK

The Bank of England announces that Her Majesty's Treasury has created on 5 April 1995 additional amounts of the Stocks listed below:

**£150 million**      **2½% INDEX-LINKED TREASURY STOCK 2003**  
**£150 million**      **2½% INDEX-LINKED TREASURY STOCK 2013**

The issue price was in each case the middle market price of the relevant Stock at 3.30 pm on 5 April 1995 as certified by the Government Broker.

In each case, the amount issued on 5 April 1995 represents a further tranche of the relevant Stock, ranking in all respects *pari passu* with that Stock and subject to the terms and conditions applicable to that Stock, and subject also to the provision contained in the final paragraph of this notice; the current provisions for Capital Gains Tax are described below.

Application has been made to the London Stock Exchange for each further tranche of stock to be admitted to the Official List.

Copies of the prospectuses for 2½% Index-Linked Treasury Stock 2003 dated 22 October 1982 and 2½% Index-Linked Treasury Stock 2013 dated 15 February 1985 may be obtained from the Bank of England, New Issues, Southgate House, Southgate Street, Gloucester, GL1 1UW.

The Stocks are repayable, and interest is payable half-yearly, on the dates shown below (provision is made in the prospectuses for stockholders to be offered the right of early redemption under certain circumstances):

<i>Stock</i>	<i>Redemption date</i>	<i>Interest payment dates</i>
2½% Index-Linked Treasury Stock 2003	20 May 2003	20 May 20 November
2½% Index-Linked Treasury Stock 2013	16 August 2013	16 February 16 August

Both the principal of and the interest on the Stocks are indexed to the General Index of Retail Prices. The Index figure relevant to any month is that published seven months previously and relating to the month before the month of publication. The Index figure relevant to the month of issue of 2½% Index-Linked Treasury Stock 2003 is that relating to February 1982 (310.7); the equivalent Index figure for 2½% Index-Linked Treasury Stock 2013 is that relating to June 1984 (351.9). These Index figures will be used for the purposes of calculating payments of principal and interest due in respect of the further tranches of stock: the calculations will, as provided for in the prospectuses, take account of the revision of the Index to a new base of January 1987 = 100 (on the old base the Index for January 1987 was 394.5).

The relevant Index figures for the half-yearly interest payments on the Stocks are as follows:

<i>Interest payable</i>	<i>Published in</i>	<i>Relevant Index figure</i>	<i>Relating to</i>
May	October of the previous year		September
November	April of the same year		March
February	July of the previous year		June
August	January of the same year		December

The further tranches of the Stocks will rank for a full six months' interest on the next interest payment date applicable to the relevant Stock.

Each of the Stocks referred to in this notice is specified under paragraph 1 of Schedule 9 to the Taxation of Chargeable Gains Act 1992 as a gilt-edged security (under current legislation exempt from tax on capital gains, irrespective of the period for which the Stock is held).

*Government Statement*

Attention is drawn to the statement issued by Her Majesty's Treasury on 29 May 1985 which explained that, in the interest of the orderly conduct of fiscal policy, neither Her Majesty's Government nor the Bank of England or their respective servants or agents undertake to disclose tax changes decided on but not yet announced, even where they may specifically affect the terms on which, or the conditions under which, these further tranches of stock are issued or sold by or on behalf of the Government or the Bank; that no responsibility can therefore be accepted for any omission to make such disclosure; and that such omission shall neither render any transaction liable to be set aside nor give rise to any claim for compensation.
