- * Tender dates and choice of sectors remain subject to demand and market conditions.
- On 4 April 2025 it was announced that a syndication for a long conventional gilt in the week commencing 19 May 2025 is planned, subject to demand and market conditions. In the remit revision announcement published on 23 April 2025, it was announced that the DMO would welcome views from market participants on whether a long conventional gilt maturity remains the most appropriate maturity choice for the planned syndication in the week commencing 19 May 2025, as announced in the DMO's calendar of gilt operations in Q1 2025-26 on 4 April 2025.
 - A syndication for a new or existing index-linked gilt is planned for June 2025, subject to demand and market conditions.
