

## **DMO SCREEN ANNOUNCEMENT: 1 DECEMBER 2020**

### **UK DMO SEEKS VIEWS ON THE SCHEDULING OF AN INDEX-LINKED GILT TENDER**

Following representations from some market participants regarding the scheduling of a tender for an index-linked gilt in December 2020, the UK Debt Management Office (DMO) is today seeking feedback on whether or not there is wider market demand for such an operation.

Views are sought on the specific maturity of any index-linked gilt to be sold and the (cash) size of any such operation (although the DMO expects that any tender would be modestly sized). Views on the timing of any such operation are also welcomed.

The DMO will be grateful to receive views either to [giltdealing@dmo.gov.uk](mailto:giltdealing@dmo.gov.uk) or [policy@dmo.gov.uk](mailto:policy@dmo.gov.uk) by noon on Wednesday 2 December 2020 and will announce its decision at 7.30 am on Friday 4 December 2020.
