PRESS NOTICE

APPOINTMENT OF A SYNDICATE FOR THE REOPENING OF 0¾% INDEX-LINKED TREASURY GILT 2034 IN THE WEEK COMMENCING 25 JULY 2011

The United Kingdom Debt Management Office (“the DMO”) announces the appointment of a syndicate to sell by subscription the first re-opening of 0¾% Index-linked Treasury Gilt 2034.

Joint Bookrunners: Citigroup Global Markets Limited, HSBC Bank PLC, Nomura International plc and UBS Limited.

Co-Lead Managers: All other panel member Index-linked Gilt-edged Market Makers (“IL GEMMs”) have been invited to be Co-Lead Managers.

The DMO has appointed a panel comprising exclusively wholesale GEMM firms from which it will choose syndicate members for the conduct of the programme of syndicated offerings in 2011-12. The current planning assumption is that syndicated offerings will raise approximately £31.6 billion in 2011-12; sales by syndication in the financial year to-date are approximately £8.3 billion.

It is expected that the sale will be held in the week commencing 25 July 2011, subject to market conditions. Further information about the conduct of the offer will be announced in due course.

NOTES TO EDITORS

The DMO financing remit for 2011-12, published alongside the Budget on 23 March 2011, included the provision for a programme of up to eight syndicated offerings to be held in 2011-12

to raise £31.6 billion (cash). The current planning assumption is that £18.1 billion will be raised by sales of index-linked gilts and £13.5 billion by sales of long-dated conventional gilts.

The DMO also announced on 23 March 2011 its intention to implement the programme of syndicated gilt offerings in 2011-12 more evenly across the year than in 2010-11 via smaller and more regular operations than in 2010-11.

The first syndicated offering of 2011-12 took place on 24 May 2011, when £3.5 billion (nominal) of a new 0¾% Index-linked Treasury Gilt 2034 was sold, raising approximately £3.5 billion (cash).

The second syndicated offering of 2011-12 took place on 28 June 2011, when £5.0 billion (nominal) of a 4% Treasury Gilt 2060 was sold, raising approximately £4.8 billion (cash).

On 31 May 2011 the DMO also announced plans for two syndicated offerings in July-September: a re-opening of 0¾% Index-linked Treasury Gilt 2034 in the second half of July and the sale of a long-dated conventional gilt in the second half of September (with all timings subject to confirmation depending on market conditions nearer the time).
