

Publication of Business Expenses for Senior DMO Officials

In June 2009, the Cabinet Secretary announced that business expenses incurred by the most senior Civil Servants on official duty would be published for the first time. This initiative reflects the Civil Service's commitment to maximum transparency.

In line with the guidelines issued by the Cabinet Office, the DMO now publishes, on a quarterly basis, details of annual expenses incurred by members of the DMO's Advisory Board.

The report below identifies the aggregated annual cost incurred by senior management for individual business trips. The costs reported represent the amount paid during the reported period and any other associated costs for individual events will be disclosed as they are charged to the DMO.
